Hands Across the Land (Sand) will take place at 12 noon May 18th at Lake Ivanhoe Park in Orlando Florida.

This is a world wide event to show of solidarity for clean energy. Everyone is encouraged to wear black.

Our event is sponsored by the Central Florida Surfrider Foundation Chapter and the Central Florida Sierra Club.

Sign up is at 11. At 12 we will hold hands and form a chain around the lake. The message is simple.

Yes to clean energy. No to Fossil Fuels.

Please wear a black shirt.
